

CHARTER ITINERARY

TUAMOTU ISLANDS

M/Y BIG FISH

Located North East of the main island of Tahiti the Tuamotu archipelago features 78 atolls and is considered to be a leading diving hot spot in the world. Famous for thrilling drift dives through the passes (where the lagoon meets the Ocean) and a mind boggling array of sea life, The Tuamotus remain one of the untouched wonders of the world. A sanctuary for marine mammals since 2002 the humpback whales come to breed every July and November.
